ATTN: [redacted] Technical Developments
Washington 25, D.C.

Dear Sir:

It is requested that your Center procure for this agency a second Gamma I (24" f.l.) printer in lieu of the originally proposed Gamma II (36" f.l.) printer. Funds covering cost of this procurement have been furnished by separate action. Technical details and arrangements for delivery will be arranged with your office through [redacted] Chief, Strategic Systems Division, GMRADA.

Sincerely,

Copy furnished:
